➤ ABOUT THE COLLOQUIUM

In our endeavor to evangelize the adoption of CMMI® High Maturity best practices, to overcome business challenges and to understand the implementation nuances of CMMI® High Maturity Process Areas, QAI will host the **1st International Colloquium on High Maturity Best Practices (HMBP 2010), on May 21, 2010 in Bangalore.**

This is built on theme of '*Demystifying High Maturity*'. The key focus of the colloquium, is to simplify the High Maturity practices and to propagate it's benefits, best practices and knowledge sharing for attendees.

HMBP 2010 aims to bring together practitioners and thought leaders from the industry, academia and / or government, for sharing and exchanging ideas and learning in the area of CMMI® High Maturity. The one day colloquium will include keynote presentations, focused conference tracks, industry expert breakout sessions, products and tool presentations, conference proceedings, exhibitor expo, High Maturity Best Practices Awards ceremony, and numerous networking events.

➤ WHO SHOULD ATTEND

- CIOs, CTOs and IT professionals
- COOs
- Quality heads, SEPG heads and Operation heads
- Members of Engineering Process group / Quality Assurance group
- IT Application, Project and Business Managers
- Process Improvement consultants
- CMMI® Lead Appraisers

COLLOQUIUM HIGHLIGHTS

■ PLENARY SPEAKERS

Speakers of international repute and gurus from across the globe

■ FOCUSED CONFERENCE TRACKS

Learn from the real world experiences of industry experts who will show you how to turn various theoretical concepts into best practices and achieve outstanding results. The tracks will address issues related to:

- 'High Maturity: Focus on ROI'
- 'What it takes to reach High Maturity'
- 'Future of High Maturity V1.3 and beyond'
- 'Statistical tools and techniques for High Maturity'
- 'Implementing High Maturity in various contexts - development, maintenance projects'
- 'CMMI® High Maturity: Success stories, roadblocks, challenges and remedies'
- 'Convincing Project Managers to adopt High Maturity'

and more...

■ TOOL SHOWCASE

The colloquium will give you an opportunity to meet with various service providers in the area of CMMI® High Maturity face-to-face. You can compare and question the service providers upfront and make decisions right away

■ TAKE HOME A 'WORLD OF KNOWLEDGE'

From the plenary sessions to the closing panel discussion, HMBP 2010 is filled with non-stop opportunities to learn

■ NETWORK

Take advantage of the formal and informal opportunities at HMBP 2010 to interact with colleagues and peers to share ideas and discuss various opportunities

■ AND ENJOY!

Enjoy the awards presentation at the colloquium
